

## Workshop Weigh-In-Motion for Enforcement

**Date:** February 27<sup>th</sup>, 2013

**Location:** Brussels, Benelux building, Rue de la Régence 39

**Organisers:** Euro Contrôle Route and International Society for Weigh-In-Motion

**Goals:**

- Exchange information on the latest developments in the fields of Enforcement of Heavy Goods Vehicles and Weigh-In-Motion technology between European experts in both fields and;
- Try to develop a common vision for the future on how WIM technology can be used for enforcement of heavy goods vehicles in Europe.

**Participants:**

Weigh-In-Motion: ISWIM specialists/researchers and vendors

Enforcement: ECR, TISPOL members, French Ministry of Transport representative

EU-Commission: DG Mobility and Transport
